SEC Rule 606 Quarterly Report for the Quarter Ending December 31, 2009

National Financial Services LLC (NFS), an affiliated broker-dealer of Fidelity Brokerage Services LLC, has prepared this report pursuant to U.S Securities and Exchange Commission Rule 606 which requires broker-dealer firms to make publicly available quarterly reports on their routing practices. This report provides information on the routing of "non-directed orders" -any order that the customer has not specifically instructed to be routed to a particular venue for execution. For these non-directed orders, NFS has selected the execution venue on behalf of its customers.

The report is divided into four sections:

1. Securities listed on the New York Stock Exchange;
2. Securities listed on the Nasdaq Stock Market;
3. Securities listed on the NYSE Amex or regional exchanges; and
4. Exchange listed options

For each section, this report identifies the venues most often selected by NFS, sets forth the percentage of various types of orders routed to the venues and discusses the material aspects of the broker-dealer's relationship with the venues.
